farhat.benabdessamad@fsegt.utm.tn | Box post koutine 2, Medenine, Tunisia 4121

I present myself:

Motivated student in development economics, I have experience in carrying out activities in the field of "research in migration and local development" acquired in various internships and training, as well as in the field of international trade. With a great ability to adapt, I know how to be proactive and reliable in carrying out my missions.
